

Hawes Elementary School

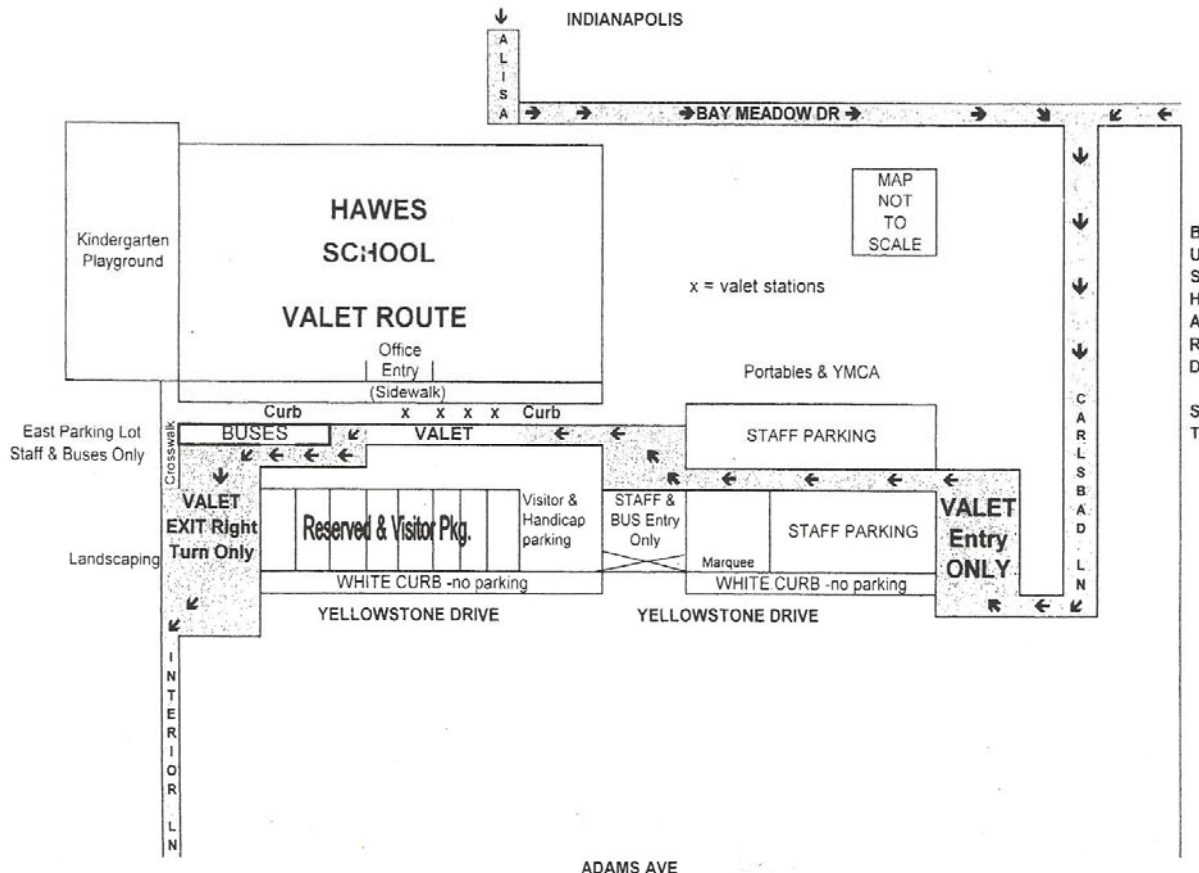

Tired of the crazy traffic at drop-off time?

Just want your child to make it to line safely?

Introducing the Hawes Valet Service

- *Drop your child off safely in front of the school office without battling for a parking spot!
*Cruise up to the office curb as your child is safely assisted out of the car by our Hawes Valets!
*Streamline your time! With multiple Valet stations inside the front lot, you'll be in and out in a snap and on your way!
*This FREE service starts at 8:10a.m. every day.
*Our Goal: to increase the safety of our students at drop off time and ease traffic congestion on Yellowstone.

Please refer to the diagram below and on back of page for routes and clarification

Valet Traffic Route

HAWES SCHOOL CURBSIDE KINDER PICKUP

Dear Kindergarten parents,

I'm happy to inform you about our "Curbside Kinder Pickup" system! Our goal is to streamline the kindergarten pickup process, keep our kids safe, and minimize the frustration you have as you try to park.

Here's how it works:

*Display your name plate on the dash of your car – this tells the teacher on duty who you are and who you're there to pick up

*Enter in the driveway near the YMCA portables closest to Bushard (come in on Yellowstone and make a right into the driveway)

*Travel through the parking lot to the bus zone in front of the school office where you will pull to the curb and your child will be sent to your car for a quick and easy pickup!

*Drive through the parking lot and turn right out of the EXIT ONLY driveway

We will have staff out front with the Curbside Kindergarteners from all classes. Please be patient as we familiarize ourselves with this process and get accustomed to the cars/parents.

Please use your name plate for display on your car's dash.

Thank you,

Mrs. Harvey and the Kindergarten team
