Evening 1	The Active Parent
Evening 2	Courage and Self-Esteem
Evening 3	Teen Behavior and Problem Solving
Evening 4	Responsibility and Discipline
Evening 5	Cooperation and Communication
Evening 6	The Problem-Solving Family in Action

Developed by Michael H. Popkin, Ph.D., this series of six sessions is based on the philosophy that it is the job of the parent, rather than the teen, to play the leadership role in the family. Leadership, however, is not a simple matter of laying down the law. Effective leadership in parenting, like effective management in a business, depends on a combination of attitudes and skills. This program will help parents to develop both so that they can better lead their teens into responsible adulthood.

We regret that these classes in parenting skills are not offered in languages other than English, nor are translators available. Parents who speak other languages are invited to bring their own translators as needed. – Administration of HB Adult School

Lo sentimos esta clase para padres solo se ofrece en inglés, tampoco se ofrecen servicios de traductor. No obstante, los padres pueden traer su propio traductor si lo desean. – La Administración de la Escuela de Adultos de Huntington Beach

Chúng tôi rất lấy làm tiếc lớp hướng dẫn phụ huynh có con em nhỏ hoàn toàn giảng bằng tiếng Anh, và không có dịch vụ thông dịch. Phụ huynh có thể mang theo người thông dịch nếu muốn.-- Ban Điều Hành của Trường Tráng Niên Huntington Beach
